THE HEWITT—BARTLETT COLLECTIONS.

This catalogue lists so many rarities and choice coins and tokens that the cataloguer is almost at a loss to know where to commence to describe and enumerate them. The Hewitt Collection presents a great many of the big rarities in American Political Tokens, some of them not having been offered for sale in many years, and is especially strong in the issues of Andrew Jackson, Wm. H. Harrison, Martin Van Buren, Henry Clay, Zachary Taylor and Stephen A. Douglas.

The B. C. Bartlett Collection is notable for its very fine U. S. Cents, which rank with the Carlton Collection, just sold. It contains also some very choice early Massachusetts Silver Coins, a New Hampshire Cent of 1776; Some Choice Private Gold Coins, with two magnificent Octagonal Slugs with the rare incuse obverse design, and practically uncirculated; a rare pattern quarter eagle of the State of California; a large and choice lot of Ancient and Modern Foreign Coins, with a very fine Japanese Oban and many large pieces; Choice early United States Silver Dollars, Half Dollars, Dimes and Half Dimes, with Half Dollars of 1796 and 1797, a quarter dollar of 1823 and a Half Dime of 1802; Rare U. S. Gold Proof Sets of 1860, 1861, 1862 and 1874; a Gold Stella of 1880; a Rare St. Gaudens $10 gold; Rare Pattern Gold Dollar of 1836; some good Ancient Silver Coins; Many United States Three and One Dollar Pieces; a Quarter Eagle of 1798. Also included are Fine Selections of Continental and U. S. Fractional Paper Money; Some Rare Stone Age Implements of the Caribs of St. Vincent and Grenada Islands; Fine Cut Gem Stones, Silver Images of the Peruvian Indians, Etc., Etc. Listed are almost 1600 lots, to be sold in two sessions making the season's best sale.

The Plate Catalogue. As this catalogue will contain more plates than the Carlton Catalogue it is practically given away for the price advertised, $1.50. This price does not begin to cover the cost of producing these plates, but the collectors receive the benefit in magnificent photographic reproductions of some of the finest tokens and coins ever offered. Send $1.50 cash for it at once. The Plate catalogue of my next sale will be advanced to $2.00 to help cover actual cost of production.

Priced catalogue of this sale $1.00 extra.

Send your bids early. This is our most important sale of the year, not even excepting the Carlton Collection.

CONDITIONS OF SALE.

This is a bona-fide public sale, for prompt cash settlement, and irresponsible persons who are not sure whether they can pay for what they bid on, are asked not to bid. The cataloguer has taken special pains to describe each lot accurately. Errors will be corrected, but he reserves the sole right to decide upon any claims. No corrections or refunds will be made, and no lots can be returned, unless the bidder submits his case in writing **within 30 days of the date of the sale.**

Coins and medals are sold at **so much per PIECE**, and no lot will be separated. The auctioneer will accept any bid up to 50c., then 5c up to $2.50, when 10c. advance must be bid, up to $10.00, when no advance under 25 cents will be accepted. If there are 5 pieces in the lot and you wish to pay $5.00 for the entire lot, then bid $1.00.

Auction sales are **strictly for cash.** Parties unknown to me and bidding for the first time, must give bank or other reliable reference, or their bids will not be executed.

Forward your bids as early as possible, as thousands of bids have to be entered. Do not make ridiculously low bids, such as 10c. and 15c. on foreign silver coins worth several times over as bullion. Write your bids plainly, with a pen if practicable.

Where the number of pieces in a lot is not given after the description, there is but one piece in the lot.

Be sure you bid on the lot you wish to buy.

All coins, etc., are genuine unless otherwise described.

A charge of 5% will be made to cover packing and shipping, but where the parcel is bulky an additional packing charge will be made. No charge made for bidding except for lots actually purchased. Remit by money order or New York draft.

Priced catalogue of this sale sent for $1.00 cash in advance.

If any further information is required as to valuation of lots, or how to bid, please write the cataloguer. THOMAS L. ELDER.

Order of Sale.

1639 1770. Crude bust of Carolus III of Spain to right, titles, etc. imitated in grotesque fashion, the border milled. Rev. Arms. "8—S" and usual inscription, but the letter Ds, Ps, Fs and Ts made to resemble a capital letter E in each instance, the result being an absurdity. Edge milled. Very fine gold, weight 17 pennyweights and 9 grains. Extremely fine. I have never seen another. **Plate.**
